SECTION IV BOYS SWIMMING & DIVING

This Swimming and Diving Handbook is to provide information for use in the administration of Section IV Swimming & Diving Competition. It is to serve as a guide to all participating schools. It is suggested that all Coaches and Athletic Directors read this handbook as well as the current National Federation rulebook, and the NYSPHSAA Handbook. Sections from this Handbook have been taken directly from the New York State Public High School Athletic Association Handbook. For further information, refer directly to the Handbook.
